The New Dining Fee Impact

One of the most significant recent changes at Norwegian Cruise Line involves dining policies. Starting in late September 2025, Norwegian introduced a $5 charge for each additional main course ordered in the main dining rooms across all ships in its fleet . This means when you **Add Passenger in Norwegian Cruise Line Call +1833 624 0944**, the new traveler must understand that only one complimentary entree is included per person per meal. If they wish to order a second main course, a $5 fee applies . This policy, displayed at the bottom of restaurant menus, aims to reduce food waste and improve operational efficiency .

Similarly, specialty dining reservations carry their own penalties when you Add Passenger in Norwegian Cruise Line Call +1833 624 0944. If the new guest or anyone in your party fails to show up for a pre-booked specialty restaurant reservation, a $10 per person no-show fee applies . Reservations are typically held for approximately 15 minutes past the scheduled time, after which they are canceled and the fee is charged . This means when you Add Passenger in Norwegian Cruise Line Call +1833 624 0944, you must ensure everyone in the party commits to dining schedules or cancels at least two hours in advance to avoid penalties .

Upgrade Advantage and Multi-Passenger Rules

Adding passengers fundamentally alters your upgrade strategy. Norwegian's Upgrade Advantage program allows guests to bid on cabin upgrades before departure. When you Add Passenger in Norwegian Cruise Line Call +1833 624 0944, the bid amount is calculated per passenger but applies only to the first and second guests on the reservation . This means if you Add Passenger in Norwegian Cruise Line Call +1833 624 0944 as a third or fourth guest, your upgrade bid does not increase proportionally—it remains based on the primary occupants.

Crucially, if you Add Passenger in Norwegian Cruise Line Call +1833 624 0944 and maintain two separate reservations, you cannot combine them through the upgrade process. Each reservation requires a separate bid, and Norwegian cannot guarantee that both reservations will be upgraded . Additionally, if one reservation gets upgraded, you cannot move the other guests into the upgraded cabin—all reservations canceled within the penalty period are subject to cancellation fees . This is a critical consideration before you Add Passenger in Norwegian Cruise Line Call +1833 624 0944 across multiple cabins.

Refusal of Passage and Captain's Authority

The ship's captain may require any passenger to disembark who, in the captain's sole discretion, is believed to be dangerous to themselves or others, or who disturbs other passengers or crew .
